Pitt County Medical Society
Tricia Maddrey Baker
Executive Director
1705 W. 6th St. Bldg. N
Greenville, NC 27835

Dear Tricia,

Please share our package offer to the members of the Pitt County Medical Society.

All active members are eligible for any of the following offers for 2013:

- Three Months free IT support with a one year contract
- Free network security assessment
- Support for personal/home devices (phone, tablet, PC, laptop) for Physicians only with office support contract.

Think Technology Advisors is an IT support and services company focused on the specific needs of the health care industry. Our professional support staff are familiar with the impact of HIPAA security guidelines on electronic data and devices. Please see our website for more information.
